a Commission of 10 P.C. on Sales is charged

THE GENERAL SECRETARY TO THE GOVERNMENT

of H.H. the Maharaja of Mysore,
Bangalore.

I have the honour to forward herewith, for favour of your perusal, copy of letter No. S. 122 dated 1st July 1928 from the Superintendent, Mysore Jail, in connection with sending the Jail made carpets to the Show room of the Chamarajendra Technical Institute for sale and to state that the Superintendent of the Institute demands a commission of 10 per cent on the sale proceeds of the Carpets sent for sale.

As the price of the carpets will become too high if the amount of commission to be paid is added to the actual of the carpets, I requested the Superintendent to have the commission reduced from 10 to 5 per cent, but he has declined to do so. I request under the circumstances that you will be good as to instruct the Superintendent of the Institution to receive the Jail made carpets for sale in the Show Room at 5 per cent commission, so that there may be no loss to Government by this procedure taking into consideration that both are Institutions.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

Superintendent, Mysore Jail, Mysore, to the Inspector General of Prisons in Mysore, Bangalore.

-*-*-*-*-*-*-

I have the honour to report that the Superintendent of the Chamarajendra Technical Institute Mysore, says that the Jail made carpets can find sale if kept in his institute, as some of his customers are frequently making enquiries for good carpets and he would arrange to take charge and sell them, provided a commission of 10 per cent on the sale proceeds is given ~~to him~~ to him.

I beg to know whether some of the carpets made in this Jail could be sent to him on commission sale as is done in the Central Jail, Bangalore. If permitted, the commission to be paid would be added to the price of the carpets, fixed here, so as to cause no loss to Jail.
